

Invisible Wounds (dark Bodies)

Fear Factory

Dark bodies floating in darkness
No sign of light ever given
Imprisoned in a world without a memory
Unconscious, or am I conscious?
Cut from the heart I am part of
Sometimes I feel as though I'm frozen in Heaven
And I saw my own face in the dark and loneliness
And I saw my own face like a spark frozen in Heaven
In dreams I see myself flying
Closer to the sun and I'm climbing
Tried to touch the sun
But the brightness burned my eyes
Unconscious, or am I conscious?
Fell from the sky like a star
Sometimes I feel as though I'm frozen in Heaven
And I saw my own face in the dark and loneliness
And I saw my own face like a spark
Unconscious, or am I conscious?
Fell from the sky like a star
Sometimes I feel as though I'm frozen in Heaven
And I saw my own voice in the dark and loneliness
And I saw my own voice like a spark frozen in Heaven
Dark bodies floating in darkness
Dark bodies floating in darkness
Dark bodies floating in darkness
