

War stories

Starjets

Snow falls and we make our way, to frontiers we are sent
Delay can be dangerous, danger till the end
Back against the wall, young men heed the call
Prisoners take control, soon be going home

War stories, Sergeant Fury, war stories, Captain Hurricane
War stories, Johnny Red, war stories, this is it, this is it

Nightfall and the tanks roll by, I see the front in vain
Scared that I'm prepared to die, I smile to hide my pain
Gonna save my soul, in the all-time low
Generals keep score, soon be going home

War stories, Sergeant Fury, war stories, Captain Hurricane
War stories, Johnny Red, war stories, this is it, this is it

V.E. is, they say, Liberation Holiday
Invasion ally day, we're in sight of victory

Up against the wall, young men heed the call
Prisoners, oh, soon be going home

War stories, war stories
War stories, out of your way, war stories, ah, listen to
War stories, Sergeant Fury, war stories, Captain Hurricane
War stories, Johnny Red, war stories, this is it, this is it

This is it, this is it
This is it, this is it
