

# Fear the Grand Inquisitor

## Pungent Stench

Castile and Aragon  
Was his domain  
Grand inquisition over all of Spain  
He settled the appeals  
Made to the Holy See  
The fear of death forced foes to pee  
Witchfinding tribunals  
High council hearing  
Let heretics and Jews the inquisition bearing  
Hammer of heretics  
Light of Spain  
Death by fire the inquisitors campaign  
Come on witch  
Burn for sin and dance the lambada  
Now listen bitch  
Fear my name, Tomas Torquemada  
De Torquemada  
Burn  
Burn bitch burn  
Burn in hell  
Impenitent sinner  
Flogged to death  
Burned at the stake to the last breath  
Auto da fe  
Wanna save your life then hide or run  
Senor inquisidor  
No mercy for them  
Torture, confess and then condemn  
Edict of expulsion  
Converso and Jew  
Sangre Limpia, total death to Hebrew  
Burn  
Burn Jew burn  
No return  
On the stake and burn  
Remember my name  
Tomas Torquemada  
Grand inquisitor  
Final visitor
