Shotgun

Valerie June

Oh oh oh
Baby
You know I love you baby
I'm in love with you yes I am
I saw you in her arms
Darlin'
I saw you kiss her lips babyAnd come back home and tell me your sweet lies
So I'm gonna go get my shotgun darlin'
Cause you know I love you baby
And if I can't have you nobody can
Late last night they laid you in your lonesome grave
And don't you know tonight they lay me beside you
