

# Jesus Is Waiting

Al Green

Jesus is waiting  
If you're broken down  
Jesus is waiting, hey yeah  
Don't let yourself down He standing right there behind you  
Helping you to make up your mind  
Jesus is waiting, hey  
Do I have to say it again (say it again)  
Jesus is waiting, hey Talking 'bout, you've got a friend  
Reach down in your heart and say  
A little prayer just for me  
He's the one that believes in love  
Can't you see Hey  
Just saying  
Jesus is waiting  
Love is the only salvation  
Understand me  
Jesus is waiting  
Love is the only medication  
Understand me  
Help me, help me  
Help me, help me  
Help me, help me  
Help me, help me  
Help me, help me  
Help me, help me  
Help me I want you to help me  
And I'll help you,  
Save my soul  
I'll save some for you  
I'll do my best  
Do what I can to  
Stand up and be a man  
I said hey I just want everybody to, everybody to know that  
Jesus is waiting, hey  
Jesus is waiting  
Jesus is waiting  
Jesus is waiting  
I wish the band would just reggae  
Reggae I remember that I had to

Say that I had been a fool  
Disregarding your love  
I wanna say that it  
That, I'm sorry, (sorry) sorry,(sorry)  
Sorry (sorry) sorry hey  
But I tell ya  
You've been good to me  
You've been good to me  
You've been good to me Thank you, thank you  
Thank you, thank you  
Thank you, thank you  
Thank you, thank you  
Thank you, thank you  
Thank you, thank you  
Thank you, thank you  
Thank you, thank you
