

Somewhere In My Broken Heart

[Randy Travis](#)

You've made up your mind
It was time, it was over after we had come so far
But I think there's enough pieces of forgiveness
Somewhere in my broken heart I would not have chosen the road you have taken
It has left us miles apart
But I think I can still find a will to keep going
Somewhere in my broken heart So fly, go ahead and fly
Until you find out who you are
'Cause I will keep my love unspoken
Somewhere in my broken heart I hope that in time, you will find what you longed for
Love that's written in the stars
And when you finally do, I think you'll see it
Somewhere in my broken heart So fly, go ahead and fly
Until you find out who you are
'Cause I will keep my love unspoken
Somewhere in my broken heart I hope that in time, you will find what you longed for
Love that's written in the stars
And when you finally do, I think you'll see it
Somewhere in my broken
Somewhere in my broken heart
