

How Do You Sleep

KIDZ BOP Kids

It's been about a year now, ain't seen or heard from you
I been missing you crazy
How do you, how do you sleep? The letter you wrote me it still smells just like you
Ya, those sweet memories
How do you, how do you sleep?
How do you sleep? Tried my best at moving on
Have yet to find a girl like you
See things that I didn't before
Now I'm wishing I had more time with you How do you stay awake
Knowing all I do is think of you?
All the things we thought about that never will happen again
I can just see you If I had my way, I'd come and get ya, girl
In your favorite car with the missing top
Remember around my way where we used to walk
And did all those things to steal your heart It's been about a year now, ain't seen or heard from you
I been missing you crazy
How do you, how do you sleep? The letter you wrote me it still smells just like you
Ya, those sweet memories
How do you, how do you sleep? It's been about a year now, ain't seen or heard from you
I been missing you crazy
How do you, how do you sleep? The letter you wrote me it still smells just like you
Ya, those sweet memories
How do you, how do you sleep?
How do you sleep? It's been about a year now, ain't seen or heard from you
I been missing you crazy
How do you, how do you sleep? The letter you wrote me it still smells just like you
Ya, those sweet memories
How do you, how do you sleep? It's been about a year now, ain't seen or heard from you
I been missing you crazy
How do you, how do you sleep? The letter you wrote me it still smells just like you
Ya, those sweet memories
How do you, how do you sleep?
How do you sleep?
