

# Right Here Waiting

Monica

Oceans apart, day after day and I slowly go insane  
I hear your voice on the line  
But it doesn't stop the pain, if I see you next to never  
How can we say, forever Wherever you go, whatever you do  
I will be right here waiting for you  
Whatever it takes or how my heart breaks  
I will be right here waiting for you I took for granted all the time, that I thought would last, somehow  
I hear the laughter and I taste the tears  
But I can't get near you now, oh, can't you see it baby  
You've got me goin' crazy Wherever you go, whatever you do  
I will be right here waiting for you  
Whatever it takes or how my heart breaks  
I will be right here waiting for you I wonder how we can survive  
This romance  
But in the end if I'm with you  
I'll take the chance Baby, baby, yeah  
I'll be, I'll be right here waitin' on you  
Whatever it takes or how my heart breaks  
I'll be right here waitin' for you Oh, I love you, oh, whatever it takes  
Whatever you do, wherever you go  
I'm never leavin' you  
I'll be right here waitin' for you
