'Til I Met Thee

Cody ChesnuTT

Tu tu tu tu
Tu tu tu tu
Yea, honey
Tu tu tu tu
Tu tu tu tuI was a dead man, I was asleep
I was a stranger in a foreign land til I met theeFirst verse
I took a stroll doing a country road babe
And now I, I looked around you
In search of my love baby
I found what I needed, nothing more
Just what I needed
The pure heart of a baby and now I think to fall in those
Whoa
I was a dead man, I was a dead man
I was asleep
Knocked out, knocked out for a minute
I was a stranger in, in a foreign land
Oh oh til I met thee Lord
And I wanna say it again, say sayI was a dead man (dead man, dead man)
I was asleep
Lord knows I was, I was a stranger in, in a foreign land
Oh oh til I met theeSecond verse
I felt the call when I was moved for the perfect role, that jade
And our eyes burning down
Who wouldn't help me, Lord I
I did not know, Lord I
I felt your heal and all on me, Lord I
Felt your healing
And now on full that was with me
I never approached to the shore
Oh well,
I was a dead, dead, I was a dead man
I was asleep, I was a, God knows
I was a stranger in a foreign land
Said I was a stranger in a foreign land
Said I was walking in darkness with no sense of direction
Kidding me to wait for me to see all of my affections
Said I was a stranger in a danger
Stranger in a foreign land

Stranger in a foreign land
Stranger in a foreign land
(darkness, no sense of direction)
Stranger, walking in darkness
No sense of direction
Giving me to wait for me to see
I was walking in darkness
No sense of direction til you came
Came in me to wait for me to see all of my affections
Walking in darkness without no sense of direction
No sense of direction til you came
Came in me to wait for me to see
I was walking in darkness without no sense of direction til you came
