

Your Flesh Is So Nice

Jeff Buckley

I want to tell you a story
About a little cute
She's ass-slappin' pretty
And voluptuous fingers Wanna let her lick me
Stick the thick of my pussy
And as I cross the street
She looks good enough to eat me Kitty you're so
Your flesh is nice
Your flesh is nice
Let me take a bite
Flesh is so nice Oh, I take off my belt
Oh, I whip the staircase
(Whip the staircase)
Oh, kill all the men Everything's dead to them
You're the only one I follow
Come on and let me give you that 'O' (Flesh is nice)
Your flesh is so nice
(I wanna take you twice)
Your flesh is nice
(Your flesh is so)
Oh, your flesh is nice Your flesh is nice
Wanna take a bite
Your flesh is so Your flesh is so
Your flesh is so
Your flesh is so
