

# Go Now

Patty Griffin

Here's your moon  
Here's your stars  
Go now  
Go now  
Here's the sun  
Here's the birds  
Here's you are  
Go now  
Go now  
Got a stellar reputation  
As the star that never fell  
As the train that left the station  
As the secret that no one could ever tell  
Here's the lamp  
Here's the landing  
We might never understand it  
Go now  
Go now  
  
Here's the trees red and gold  
Here's the snow  
Here we go now  
Let's go now  
I was waiting for the leap year  
And got caught out in the rain  
Singing like a sparrow  
Always planning my narrow escape  
Here's the morning shining on us  
Here's the twilight upon us  
Here's the moon  
Here's the stars  
Here I am  
Here you are  
Let's go now
