

# Perfection

[Cher](#)

Hush little baby, gotta be strong  
'Cause in this world we are born to fight  
Be the best, prove them wrong  
A winner's work is never done Reach the top, number one  
Perfection Oh, perfection  
You drive me crazy with perfection  
I've worn my pride as my protection  
Perfection, oh! I was taught to be tough  
That the best that you can be ain't enough  
Crack the whip, sacrifice  
But I found out paradise had a price  
I didn't know it then  
But oh I know it now  
You gotta work as hard at love  
To make the love work out  
You know this heart of mine  
Has made some big mistakes  
I guess that when it come to love  
I just don't know what it takes All my life I've been driven by perfection  
Pushed it to the limit every day and night  
Whoa, I've been driven by perfection  
But nothin's perfect when love ain't right  
Nothin's perfect when love ain't right Gave it all  
Play my part  
I gave everything I had but my heart  
Worked so hard  
Made a name  
But the loneliness inside stays the same  
When love is here to today  
And then it's gone today  
You got a list of lovers lookin' like a resume  
You gotta take some time  
To make it something real  
I guess that when it comes to love  
I just don't know how to feel All my life I've been driven by perfection  
Pushed it to the limit every day and night  
Whoa, I've been driven by perfection  
But nothin's perfect when love ain't right  
Nothin's perfect when love ain't right Oh, perfection

You drive me crazy with perfection  
I've worn my pride as my protection  
I'm goin' crazy with perfection.
