Somebody

John Berry

I've been waiting for a long, long time
For someone like you to ease my mind
It feels so natural and yes it's true
You love me the way I love youSomebody, somebody
I've been praying for somebody
Someone who'll squeeze me and hold me tight
Someone who'll love me all through my lifeSomebody, somebody
Someone too good to be true
Somebody, somebody
Someone who loves me the way that I love youI've been looking from the outside in
Wishing I could find love again
Many came around but they would not do
But my heart skipped a beat when I found youSomebody, somebody
I've been praying for somebody
Someone who'll squeeze me and hold me tight
Someone who'll love me all through my lifeSomebody, somebody, somebody
Someone who loves me the way that I love you
Pick it upSomebody, somebody
Someone too good to be true
Somebody, somebody
Someone who loves me the way that I love you, ohSomebody, somebody
Someone too good to be true, oh
Somebody, somebody
Someone who loves me the way that I love you
