

# Privacy

## Michael Jackson

Ain't the pictures enough, why do you go through so much  
To get the story you need, so you can bury me  
You've got the people confused, you tell the stories you choose  
You try to get me to lose the man I really am You keep on stalking me, invading my privacy  
Won't you just let me be  
Cause you cameras can't control, the minds of those who know  
That you'll even sell your soul just to get a story sold [Chorus]  
I need my privacy, I need my privacy  
So paparazzi, get away from me Some of you still wonder why, one of my friends had to die  
To get a message across, that yet you haven't heard  
My friend was chased and confused, like many others I knew  
But on that cold winter night, my pride was snatched away Now she get no second chance, she just ridiculed and  
harassed  
Please tell my why  
No there's a lesson to learn, respect's not given, it's earned  
Stop maliciously attacking my integrity [Chorus] Now there's a lesson to learn, stories are twisted and turned  
Stop maliciously attacking my integrity [Chorus: x3]
