Mud

The Road Hammers

Mud mud mud mud

Backyard, little boy
Big yella Tonka toy
Turtle pool full of dirt
Grab the hose give er a squirt ya got
Mud, mud

Snack time back door
Foot prints white floor
Poor momma, big fit
But i was standin there happy as a pig in

Mud all over my clothes
Mud, comin out my nose
Mud, oozin up through my toes
Mud well I always end up in the
Mud lord I can't get enough of that
Mud my first love
Mud, mud

16 first truck
Stripped down jacked up
Spring rain pure bliss
Last words, watch this, hit it

Mud clean up to the door
Mud stuck 4x4
Mud can't move no more
Mud well I always end up in the
Mud lord I can't get enough of that
Mud my first love

Just when I thought life couldn't get no gooder
Out of the woods come a real good looker
Mooshine fine, sweeter than sugar
Sittin in her jeep, lookin at me
Girl of my dreams buried rim deep in

A little m.u.d., spells you and me
Gettin way down deep
A little good clean fun, c'mon and get ya some
Ya everyone say
"mud" "what" "mud"

Mud all over your clothes
Mud on your pretty little nose
Mud ah between your toes
Mud ya I always end up in the
Mud ya that's the good stuff
Mud well my first love

Mud, mud
