Randall

Electric Food

1, 2, 3, 4
My name is Randall
No, I don't think I've met you before my friend
I don't really know you
But I heard your message on the answering machine
Think it went something like this
"Hello Randall, heard that you
Wrote a big hit and you're rich now
Hope you remember the promise you made
When I taught you everything that you know"
Do run, run, do run, run
Randall, here they come
Do run, run, do run, run
Randall, here they come
Do run, run, do run, run
Randall, here they come
Do run, run, do run, run
Randall, here they come
My name is rock star
Tell me aren't you sick of me yet, my friends?
'Cause I am the asshole
Who thinks that his advise is all you need to survive
Give me the sound of the crowd
Give me the people who know all the lyrics
Give me the face of the kid in the front
When he realizes what the song is about
Do run, run, do run, run
Randall, here they come
Do run, run, do run, run
Randall, here they come
Do run, run, do run, run
Randall, here they come
Do run, run, do run, run
Randall, here they come
Here they come
Time to tell the truth now, Randall
Time to give it up now, Randall
Time to let us know now, Randall
Please, Randall, please

My name is Randall
And that can be anything you want it to be
Woo!
Do run, run, do run, run
Randall, here they come
Do run, run, do run, run
Randall, here they come
Do run, run, do run, run
Randall, here they come
Do run, run, do run, run
Randall, here they come
Here they come
Here they come
Here they come
Do run, run, do run, run
Randall, here they come
Do run, run, do run, run
Randall, here they come
Do run, run, do run, run
Randall, here they come
Do run, run, do run, run
Randall, here they come
Do run, run, do run, run
Randall, here they come
Do run, run, do run, run
Randall, here they come
Do run, run, do run, run
Randall, here they come
Do run, run, do run, run
Randall, here they come
Do run, run, do run, run
Randall, here they come
Do run, run, do run, run
Randall, here they come
