Doves & Ravens

Lamb

He said
He'd never face the cold
Without her hand
There to hold.
That was
Long ago
When the snow
Was whiterAnd the wind calls her name
So she's not alone
Doves and ravens came
And they sing their song
She said
When it rains it pours
Hazy sunset
Distant shores
Oceans
Far away
Each new day
AwakenedAnd the wind calls her name
So she's not alone
Doves and ravens came
And they sing their song to the sunPlanets
Pass just once or twice
Just a moment's
Trick in time
And the wind calls her name
So she's not alone
Doves and ravens came
And they sing their song to the sun
