Dancing With Myself

Generation X

On the floor of Tokyo
Or down in London town to go, go
With the record selection
And the mirror reflection
I'm dancing with myselfWhen there's no one else in sight
In the crowded lonely night
Well I wait so long
For my love vibration
And I'm dancing with myselfOh, dancing with myself
Oh, dancing with myself
Well, there's nothing to lose
And there's nothing to prove
I'll be dancing with myselfIf I looked all over the world
And there's every type of girl
But your empty eyes
Seem to pass me by
Leave me dancing with myselfSo let's sink another drink
'Cause it'll give me time to think
If I had the chance
I'd ask the world to dance
And I'll be dancing with myselfOh, dancing with myself
Oh, dancing with myself
Well, there's nothing to lose
And there's nothing to prove
I'll be dancing with myselfDance, dance, dance
Dance, dance, dance
DanceIf I looked all over the world
And there's every type of girl
But your empty eyes
Seem to pass me by
Leave me dancing with myselfSo let's sink another drink
'Cause it'll give me time to think
If I had the chance
I'd ask the world to dance
And I'll be dancing with myselfOh, dancing with myself
Oh, dancing with myself
If I had the chance
I'd ask the world to danceIf I had the chance
I'd ask the world to dance

If I had the chance
I'd ask the world to danceDancing with myself
Dancing with myself
Dancing with myself
