

Yoverture

Boomkat

When boomkats playin,
u can be certain
That we keep the crowd swayin,
till' they drop the curtain
When boomkats playin,
u can be certain
That we keep the crowd swayin,
till' they drop the curtain
Well I'm not sure exactly how, but look ma we did it
The boomkat revolution is only the beginning
Meet the brother sister team, world wide sensation
Boomkat wonder twin powers activation
Dad, this records for you
Thanks for your voice
Me and Kel miss you (ah..ah,oh) Oh yeah
Boomkats in the house,
and right about now were gonna get down and turn it out
Yeahhh Everybody on the left and right side come together
raise your drinks to the sky, why?
Cause Boomkats in the house oh, ohhhh!
