Will You

P.o.d.

See you sittin' next to the window in the bedroom, she breaks down
(Breaks down)
Cryin' over somethin' and starin' into nothin' afraid now
(Hate now)
Wantin', needin', hauntin', it's killin' me
Faking what has happened to live
The life like that man I'll break down
(It's fake now)
Will you, will you love me tomorrow?
So will you, will you stay with me today?
Fade in and out of reason to fight the way she's feelin', she breaks down (Breaks down)
Goin' through the motions and holdin' onto hopes and her dreams now (Somehow)
Shaken, mistaken, forsaken, it's killin' me
Wishin' you could change, but he's always been this way
If you leave now, I'll drown
Will you, will you love me tomorrow?
So will you, will you stay with me today?
Will you, will you be here tomorrow?
So will you, you remember yesterday?
Yesterday, yesterday
Yesterday, yesterday
This time, I'm sorry, this time, I'm sorry
This time, this time, I'm sorry for this time
This time, this time, I'm sorry, this time I'm sorry
Will you, will you love me tomorrow?
So will you, will you stay with me today?
Will you, will you be here tomorrow?
So will you, you remember yesterday?
Will you, will you, will you?
Will you, will you, will you?
So will you?
Will you, will you, will you?
Will you, will you, will you?
