

# No milk today

## HermanÂ´s Hermits

No milk today, my love has gone away  
The bottle stands for lorn, a symbol of the dawn  
No milk today, it seems a common sight

But people passing by don't know the reason whyHow could they know just what this message means?

The end of my hopes, the end of all my dreams  
How could they know the palace there had been

Behind the door where my love reigned as queen?No milk today, it wasn't always so  
The company was gay, we'd turn night into dayBut all that's left is a place dark and lonely  
A terraced house in a mean street back of town  
Becomes a shrine when I think of you only  
Just two up two downNo milk today, it wasn't always so  
The company was gay, we'd turn night into day  
As music played the faster did we dance

We felt it both at once, the start of our romanceHow could they know just what this message means

The end of my hopes, the end of all my dreams  
How could they know a palace there had been

Behind the door where my love reigned as queen?No milk today, my love has gone away  
The bottle stands for love, a symbol of the dawnBut all that's left is a place dark and lonely  
A terraced house in a mean street back of town  
Becomes a shrine when I think of you only  
Just two up two downNo milk today, my love has gone away  
The bottle stands for love, a symbol of the dawn  
No milk today, it seems a common sight

But people passing by don't know the reason whyHow could they know just what this message means

The end of my hopes, the end of all my dreams  
How could they know a palace there had been

Behind the door where my love reigned as queen?No milk today, it wasn't always so  
The company was gay, we'd turn night into dayBut all that's left is a place dark and lonely  
A terraced house in a mean street back of town  
Oh, all that's left is a place dark and lonely  
A terraced house in a mean street back of town  
Oh, all that's left is a place dark and lonely  
A terraced house in a mean street back of town
