

# Long Live The Misanthrope

## Soilwork

Where's the notion, that I would be left out?  
I wish you'd take me away with you  
I know I cursed you, I know I had no doubt  
That all of you were the thorns of life

Misanthropic tendencies  
I was the one who could never believe  
You broke my trust, all was lost  
You're all the same to me  
I made peace, with solitude  
A farcical interlude  
The wrath, made me  
A lonely soul

The misanthrope lives on,  
Through the burning sun  
A champion for the ages(ages)  
The hatred lives on,  
The world goes numb  
A provocateur of life

You won't affect me, I'm in control  
When I take the role of the misanthrope

A well of emotion, taking you back  
I won't be saved 'cause it never, ever lasts  
Leave me alone, give me no words to keep  
No familiarity  
And I won't be deceived

Where's the notion, that I would be left out?  
I wish you'd take me away with you  
I know I cursed you, I know I had no doubt  
That all of you were the voice of life

Misanthropic tendencies  
I was the one who could never believe  
You broke my trust, all was lost  
You're all the same to me  
I made peace, with solitude

A fascicle interlude  
The wrath, made me  
A lonely soul

The misanthrope lives on,  
Through the burning sun  
A champion for the ages(ages)  
The hatred lives on,  
The world goes numb  
A provocateur of life

You won't affect me, I'm in control  
When I take the role of the misanthrope  
You won't affect me, I'm in control  
When I take the role of the misanthrope

A well of emotion, taking you back  
I won't be saved 'cause it never, ever lasts  
Leave me alone, give me no words to keep  
No familiarity  
And I won't be deceived

A well of emotion, taking you back  
I won't be saved 'cause it never, ever lasts  
A well of emotion, taking you back  
I won't be saved 'cause it never, ever lasts  
Leave me alone, give me no words to keep  
No familiarity  
And I won't be deceived
