

Honey Bee

Blake Shelton

Girl, I've been thinkin' 'bout us
And you know I ain't good at this stuff,
 But these feelin's pilin' up
Won't give me no restThis might come out a little crazy
 A little sideways, yeah, maybe
 I don't know how long it'll take me,
But I'll do my bestIf you'll be my soft and sweet,
 I'll be your strong and steady
 You be my glass of wine,
 I'll be your shot of whiskey
 You be my sunny day,
 I'll be your shade tree
 You be my honeysuckle,
I'll be your honey beeYeah, that came out a little country
 But every word was right on the money
 And I've got you smilin', honey,
Right back at meNow, hold on, 'cause I ain't done
 There's more where that came from
 Well, you know I'm just havin' fun,
But seriouslyIf you'll be my Louisiana,
 I'll be your Mississippi
 You be my little Loretta,
 I'll be your Conway Twitty
 You be my sugar baby,
 I'll be your sweet iced tea
 You be my honeysuckle,
I'll be your honey beeYour kiss just said it all
 I'm glad we had this talk
 Nothin' left to do, but fall
In each other's armsI could've said a "I love you"
 Could've wrote you a line or two
 Baby, all I know to do
Is speak right from the heartIf you'll be my soft and sweet,
 I'll be your strong and steady
 You be my glass of wine,
 I'll be your shot of whiskey
 You be my sunny day,
 I'll be your shade tree
 You be my honeysuckle,

I'll be your honey bee You'll be my Louisiana,
I'll be your Mississippi
You be my little Loretta,
I'll be your Conway Twitty
You be my sugar baby,
I'll be your sweet iced tea
You be my honeysuckle,
And I'll be your honey bee I'll be your honey bee
