

When You Wish Upon A Star

Celtic Thunder

When you wish upon a star
Makes no difference who you are
Anything your heart desires
Will come to you If your heart is in your dream
No request is too extreme
When you wish upon a star
As dreamers do Fate is kind
She brings to those who love
The sweet fulfillment of
Your secret longing Like a bolt out of the blue
Fate steps in and sees you through
When you wish upon a star
Your dreams come true Fate is kind
She brings to those who love
The sweet fulfillment of
Your secret longing When you wish upon a star
Makes no difference who you are
Anything your heart desires
Will come to you May all your dreams come true
