Wet for daddy, can i help you with that shawty?
We at the mansion now, tounge starts caressing her body.
Protection (whats next?) im feeling her.
I know she feeling me, way we going extacy. (oh yeah)
I'mma' beast with them lights down low, multiple positions and la-la-la-licking fo'sho.

[Chorus]

Lights Down Low!

Nice 'n slow!
I'mma' give yo' body what its fiendin fo'!
Lights Down Low!
I'mma' pro!
Ain't no limitations, when this love unfolds!
Wanna' do you over here! Do you over there!
Don't tell nobody the freaky moments that we share!
Lights Down Low! (Oh Oh Oh)

Private things, wildest dreams come true
there aint no limits to the things that we do
Come closers, I bet U work like a nine to five
If sheâ€™s not satisfied, Iâ€™ll put in overtime
From behind, smack-smack, she said that's mine
Body like a goddess, Angel face
And U know shorty aint neva lie
I'mma' beast with them lights down low, multiple positions and la-la-la-licking fo'sho.

[Chorus]
Lights Down Low!

Nice 'n slow!
I'mma' give yo' body what its fiendin fo'!
Lights Down Low!
I'mma' pro!
Ain't no limitations, when this love unfolds!
Wanna' do you over here! Do you over there!
Don't tell nobody the freaky moments that we share!
Lights Down Low! (Oh Oh Oh)
Lights Down Low! (Oh Oh Oh)
Lights Down Low!
