

You Should Know By Now (DJ)

[McFly](#)

Is it me or is my life a chain of unforgiving tasks
Is it you and do you have the life that no one really asks? You should know by now
You should know by now
That I cant forgive you You should know by now
You should know by now
That I cant forgive you Oh, I cant forgive you Is it me or is it time to take a look in who I choose
When you have everything you got everything to lose You should know by now
You should know by now
That I cant forgive you You should know by now
You should know by now
That I cant forgive you Oh, I cant forgive you
Oh, I cant forgive you
I cant forgive you
I cant forgive you
I cant forgive you You should know by now
You should know by now
That I cant forgive you (4x)
