Kiss Me Deadly

Randy

Sailors sail
Cowboys ride
Lovers love when they get the chance
Take it slow
Turn down the light
Soft and low
Let the shadows dance
Baby don't hold backKiss me in the dark
Roll me through the night
Hold me like you'll never let me go
Hit me with your heart
Til the morning light
Let your skin talk to my soul
Kiss me in the darkLet's strip away everything
Tonight there's nothing getting in our way
The ties that bind, the where's and why's
Take em off and leave them all outside
Lock it all outsideKiss me in the dark
Roll me through the night
Hold me like you'll never let me go
Hit me with your heart
Til the morning light
Let your skin talk to my soul
Kiss me in the dark
