

# Paradise

## Aztec Camera

I've been searching  
Seems like so long  
For perfection  
In a world made wrong Here it's hard to be strong  
Seems like we're heading  
Down and down and down  
But that's love In my life, a million dreams take over  
Paradise, a million miles away You've been hurting and I can see  
As the world turns round and round  
You spin with me  
And when you're down Don't you know I'm down too  
But up or down  
There's nowhere else I'd rather be  
Than with you In my mind, a million dreams take over  
Paradise, a million miles away In my life, a million dreams take over  
Paradise, a million miles away But walking down this lonely road  
I stop and think of you  
And I can see now  
'Cause I believe now  
Paradise is true  
Paradise is you
