

# Bitter

## Lit

Yeah

Decisions, conflixtions, so much they cannot see

Frustration building inside me

Hurry up, no wait up, coward mentality

Anticipating fallacy

Hurry up, wait up

Late to kill some time

Hurry up, wait up

For what?

Decisions, conflixtions, someplace I'd rather be

Frustration building inside me

I don't even want to think

All I want to do is sleep

'Cause I'm bitter when I wake up

I don't even want to think

All I want to do is sleep

'Cause I'm bitter when I wake up

When I wake up, when I wake up

When I wake up, when I wake

I don't even want to think

All I want to do is sleep

'Cause I'm bitter when I wake up

I don't even want to think

All I want to do is sleep

'Cause I'm bitter when I wake up

I don't even want to think

All I want to do is sleep

All I want to do is sleep

'Cause I'm bitter when I wake up
