

# Still Feeling Blue (Version 2)

## Gram Parsons

Time can pass and time can heal  
But it don't ever pass the way I feel  
You went away a long time ago  
And why you left I never knew  
The lonely days and lonely nights  
Guess the world knows I ain't feelin' right  
And when you're gone the hours pass so slow  
And now I'm still feeling blue, yeahAnd baby  
Since you've walked out of my life  
I never felt so low  
Can't help but wonder why you had to goThere are many girls but I can't say  
They come and go but still I feel this way  
And ever since the day you said goodbye  
No one treats me like you used to doI hope you're out and happy now  
Doing up the town 'cause you know how  
Every time I hear your name I want to die  
And now I'm still feeling blue, all rightAnd baby  
Since you've walked out of my life  
I never felt so low  
Can't help but wonder why you had to goThere are many girls but I can't say  
They come and go but still I feel this way  
And ever since the day you said goodbye  
No one treats me like you used to doI hope you're out and happy now  
Doing up the town 'cause you know how  
Every time I hear your name I want to die  
And now I'm still feeling blue  
And now I'm still feeling blue
