

# Move Over Darling

Doris Day

Our lips shouldnt touch  
(Move over darling)  
I like it too much  
(Move over darling)  
That gleam in your eyes is no big surprise anymore  
'Cause you fooled me beforeIm all in a spin  
(Move over darling)  
About to give in  
(Move over darling)  
And though its not right, Im too weak to fight it somehow  
'Cause I want you right nowThe way you sigh, has me waving my conscience bye-bye  
You can call me a fickle thing  
But Im practically yours forever, becauseI yearn to be kissed  
(Move over darling)  
How can I resist  
(Move over darling)  
You captured my heart and now that Im no longer free  
Make love to meThe way you sigh  
Has me waving my conscience goodbye  
You can call me a fickle thing  
But Im practically yours forever, becauseI yearn to be kissed  
(Move over darling)  
How can I resist  
(Move over darling)  
Please give me your love, Im longing for you  
I need all your love, honest I doYou captured my heart and now that Im no longer free  
Make love to me  
(Move over darling)  
Make love to me  
(Move over darling)Make love to me  
(Move over darling)  
Make love to me  
(Move over darling)  
Move over darling  
Move over darling
