

Falling for You

Clay Shelburn

Falling For You I think I might be falling for You, yeah

Yeah, for you

Falling for you, yeah

Yeah I can't fight this feeling that I'm feeling girl

Its complicated but its rocking my world

And its alright babe

Lets just take our time

I told myself i wasn't gonna let it go this far

No one would climb the walls protecting me heart

I got that feeling that you get when you don't know what to do I think I might be falling for you, yeah

Yeah, for you

Falling for you, yeah

Yeah, for you I can't fight this burning desire

we both know this is like playing with fire

Ive had the time of my life

with you here tonight

but my heart is torn, oh what should I do?

I think I might be falling for you, Yeah

Yeah, for you

Falling for you, yeah

Yeah
