I Could Easily Fall (In Love With You)

Cliff Richard & The Shadows

Aum aum aum aum
aum aum aum aum
if you should tell me that i'll always be,
the one you'll always love so true.
then i can tell you i could easily,
"i could easily fall in love with you."
It wasn't long ago i saw you there.
but even then i thought i knew,
that given half a chance i'd easily,
"i could easily fall in love with you."
I've been too long on my ownsome now.
i've been too long by myself.
i couldn't feel more lonesome now.
if i was left on the shelf.
Don't ever change that smile you're smiling now.
and please don't let me see you blue.
then i can tell you oh so easily,
"i could easily fall in love with you."
I've been too long on my ownsome now.
i've been too long by myself.
i couldn't feel more lonesome now.
if i was left on the shelf.
Don't ever change that smile you're smiling now.
and please don't let me see you blue.
then i can tell you oh so easily,
"i could easily fall in love with you."
Aum aum aum aum
aum aum aum aum
