

# London Bye Ta Ta

## David Bowie

London bye, ta ta, strange, young town  
London bye, ta ta, brought me down  
Don't like your new face, that's not nice  
Got to go far, far, London bye, ta taGigi, Gigi take me away  
Gigi, Gigi take me today  
The boys in the clothes shop sold me curry for a pound  
His cardboard face is soggy and he's selling thorny crownI loved her, I loved her  
I've got to get away but I loved herLondon bye ta ta, strange young town  
London bye ta ta, brought me down  
Don't like your new face that's not nice  
Got to go far, far, London bye, ta taRed light, green light, make up your mind  
Red light, green light, you're much too unkind  
She loves to love all beauty and she says the norm is funny  
But she whimpers in the morning when she finds she has no moneyI loved her, I loved her  
I've got to get away but I loved herLondon bye ta ta, strange young town  
London bye ta ta, brought me down  
Don't like your new face that's not nice  
Got to go far, far, London bye, ta taOh, London bye ta ta, strange young town  
London bye ta ta, brought me down  
Don't like your new face that's not nice  
Got to go far, far, London bye, ta taLondon bye ta ta  
Oh, London bye ta ta, hey
