Rocksteady

Kingpins

I think I feel like sleepin' in
I won't wake up 'til Friday night, yeah, yeah, yeah
The moment the weekend begins
I'm packing up my ride and I'm leaving, headed straight toward the door
When I get there
You better be ready to rocksteady
When I get there
You better be ready to rocksteady
I think I feel like sleepin' in
Last night was crazy outta sight, yes
After my rest the fun begins
I'm packing up my ride and I'm leaving, headed straight toward the door
When I get there
You better be ready to rocksteady
When I get there
You better be ready to rocksteady
When I get there
You better be ready to rocksteady
First the song begins
You start movin' and I get caught up
In the rhythm of your hips
And I just can't wait to take this party home
When we get there
You better be ready to rocksteady
When we get there
You better be ready to rocksteady
When we get there
You better be ready to rocksteady, oh
When we get there
You better be ready to rocksteady
When we get there
Rocksteady
When we get there
Rocksteady
When we get there
Rocksteady
Rocksteady
Rocksteady
When we get, when we get

Rocksteady
When we get, when we get
Rocksteady
When we get, when we get
Rocksteady
