

# Big Black Car (Live In Memphis)

## Big Star

Driving in my big black car  
Nothing can go wrong  
I'm going and I don't know how far  
So, so long  
Maybe I'll sleep in a Holiday Inn Nothing can hurt me  
Nothing can touch me  
Why should I care?  
Drivin a gas  
It ain't gonna last Sunny day, highway  
If it rains it's all the same  
I can't feel a thing  
I can't feel a thing  
I've got a big black car Nothing can hurt me  
Nothing can touch me  
Why should I care?  
Drivin a gas  
It ain't gonna last
