

You Are My Forever

[Kalee Hric](#)

I found forever
And I want to stay
I found forever
Jesus is the way I found forever
And I want to stay
I found forever ever ever
Jesus is the way You are my forever
And if Heaven's where you are
That's where I'll be
You are my forever
And wherever you are you'll find me I found forever
And I want to stay
I found forever ever ever
Jesus is the way
