

I Changed My Mind (remix)

Keyshia Cole

You know, who you are
Yeah, you
Kayne West on the track by the way
Yeah, no, no There's this girl I know
So deep in love
(In love)
Do almost anything
To make him see she's the one But he doesn't feel a girl like her
He's so, so wrapped up
'Cause the average girl
Will give him anything he wants? He's so caught up
He won't call her
He shows no love
So she decides I changed my mind
I don't love you
I don't love you no more
Don't waste my time It's the funniest thing 'cause I
Know how I feel inside
But you never felt the same as I
(Never, never, never, oh) I miss him so much
I bet you don't even notice
And he don't even realize
'Cause he He's so caught up
He won't call her
He shows no love
So she decides I changed my mind
I don't love you
I don't love you no more
Don't waste my time I'm so over you
Got no more to give
I gave it all to you
And you couldn't handle it And I don't care
If you come back to me
On your knees
I just don't love you no more I changed my mind
I don't love you
I don't love you no more
Don't waste my time Stop What you thinkin'?
When you see me on the corner

And you see me hagin' out
Niggas on the block
Don't care what it's all about And stop What you thinkin'?
When you see me comin' through
And you see me with a nigga
On the corner 'til 2I changed my mind
I don't love you
I don't love you no more
Don't waste my time
