

# Broken Wings

W.E.T.

This broken road has brought me here  
There's no point in looking back  
Like everyone, I have been bruised  
But I won't get stuck down there I kept on fighting  
I kept on grinding  
Walked on - Walked on Now it feel like I'm standing on the top of the world  
This emotion is taking me higher  
Yeah - It feel like the first time  
Now the pages have turned  
And I'm flying on broken wings  
There have been times I lost all hope  
And everything was dark  
This beaten heart has healed again  
And I'm taking it day by day I kept on fighting  
I kept on grinding  
Walked on - Walked on  
Now it feel like I'm standing on the top of the world  
This emotion is taking me higher  
Yeah - It feel like the first time  
Now the pages have turned  
And I'm flying on broken wings
