All Things Must Pass

Yim Yames

Sunrise doesn't last all morning
A cloudburst doesn't last all day
Seems my love is up and has left you with no warning
It's not always going to be this gray
All things must pass
All things must pass away
Sunset doesn't last all evening
A mind can blow those clouds away
After all this, my love is up and must be leaving
It's not always going to be this gray
All things must pass
All things must pass away
All things must pass
None of life's strings can last
So, I must be on my way
And face another day
Now the darkness only stays the night-time
In the morning it will fade away
Daylight is good at arriving at the right time
It's not always going to be this gray
All things must pass
All things must pass away
All things must pass
All things must pass away
