Bad

Lost Kings

Baby I'm saving it allFor youGirl, she dont know why, she dont know why and if I ask
Would you gon be mine, we could live that life
See I've travelled all around
Love the way ya put it down
She bad, but she she know she good
But she she know she good
She's a bad mamajama
And she don't make time andAll the men wanna have her
But they know she's mine
And she's down for whatever
Can you read my mind and then just
Crawl out of my head and fall into my bed
Mad, she'll never know, cause
She'll never know just what I had
She let me go
See, now I'm so broke
See I travelled all around, love the way she holds it down
She mad, cause she'll never know, cause she'll never know
She's a bad mamajama
And she don't make time and
All the men wanna have herBut they know she's mine
And she's down for whatever
Can you read my mind and then just
Crawl out of my head and fall into my bed
Baby I'm savin it all for you
Baby I'm bracin the fall for you
Baby I'm savin it all for youCrawl out of my head and fall into my bed
For you
She's a bad mamajama
And she don't make time and
All the men wanna have her
But they know she's mine
And she's down for whatever
Can you read my mind and then just
Crawl out of my head and fall into my bed
She's a bad mamajama
And she don't make time and
All the men wanna have her
But they know she's mine

And she's down for whatever
Can you read my mind and then just
Crawl out of my head and fall into my bed
