Secret Love

Kim Sozzi

I know, thing of you
It's not the 'wisest' thing to do
uh oh, some say love is a game
How many times must go through the pain

It's just a whispered confession, you're my faithful obsession
True, oh so true
You are the ultimate lover
Passion is the perfect cover
True, oh so true

Is my secret love, and I can't let go
Dreams of us, are in my soul
It's my secret love, baby don't you know
Your my secret, your my secret, love

I've been looking for change
Searching for the things, I can't explain
Uh oh, why do, I hold back on you
'is it because our love might be true'

It's just a whisper confession your my favorite obsession
True, oh so true
You are the ultimate lover
Passion is the perfect cover
True, oh so true

Is my secret love, and I can't let go
Dreams of us, burning in my soul
Its my secret love, baby don't you know
Your my secret love, your my secret (love)

It's my secret love, baby don't you know
Dreams of us, burning in my soul
It's my secret, your secret

And I'm down, looking for love
From you, show me how much you feel
Maybe is time, for you to move on

Let me go, on my own

SECRET LOVE!

It's my secret love, baby don't you know
Dreams of us, burning in my soul
It's my secret love, baby don't you know
Your my secret, your secret
Secret love!!!
