

Wine Song

Barry Manilow

Oh, oh isn't it beautiful?
Gimme more wine, girl
I need another drink of that wine

Oh, oh isn't it beautiful?
Gimme another little
Taste of that good life, yeah

Isn't it better
Layin' under the starlight?
Everything feels so good

Isn't it better
When you're off and it's all right?
Everything's out of sight

Isn't it beautiful (ooh)
Isn't it beautiful (ooh)
Isn't it beautiful (ooh)
Isn't it beautiful (ooh)
And don't you see it's so good knowin'
Exactly where you want to be, yeah
Oh oh yeah, oh

Oh, oh isn't it beautiful?
Gimme a blanket
I need a little warmth in my bed

Oh, oh isn't it beautiful?
Let's have another little
Puff on the peace pipe, yeah

Isn't it better
Layin' under the starlight?
Everything feels so good

Isn't it better now
When you're off and it's all right?
Everything's out of sight

Isn't it beautiful (ooh)
Isn't it beautiful (ooh)
Isn't it beautiful (ooh)
Isn't it beautiful (ooh)
And don't you see it's so good knowin'
Exactly where you want to be

So good knowin'
Exactly where you want to be
So good knowin'
Exactly where you want to be
So good knowin'
Exactly where you want to be, yeah
Oh oh yeah, oh

(I love you, so beautiful, so amazing)
