Make Me Feel

John Mellencamp

This ain't no make believe
I ain't foolin' around this time
You can believe what you want to believe
It's a sin the way we've wasted our timeMake me feel like I wanna feel
Baby, tear this pain from my heart
Make me feel like I wanna feel
Make me feel like I did in the startMaybe, it's a change of plan
Now that your dreams have left me behind
Or is it another man
Who didn't care that you were mine?Baby, this is our last chance
Now you're actin' like it's no big deal
Make me feel like I wanna feel
Make me feel like I did in the startI can hear, I can hear, I can hear
The radio playin' your favorite song
I don't care, I don't care, I don't care
I know that somethin' had to go wrongBaby, don't you walk away
Stay here and listen to my plans
You can leave, make it another day
Stay tonight and hold me in your handsMake me feel like I wanna feel
Baby, tear this pain from my heart
Make me feel like I wanna feel
Make me feel like I did in the start
