Toxic

Stria

I'm boiling water for the tea
I run around and climb the trees
I sometimes draw comic caracters
I'm wearing purple rubber boots
I'm drinking lots of apple juice
I do it all because I want to
Sometimes I get bored of doing those things I do
Sometimes I feel there's a need for something...
Toxic
I'm in the mood for

Toxic
I'm in the mood for
Toxic
I'm in the mood for
Something more than ordinary
Toxic
I'm in the mood for
Toxic
I'm in the mood for
Toxic
I'm in the mood for
Something more than ordinary
