

Losing My Mind

The Black Crowes

Every time I fall
I bring you along
Because I need you there
Every time I leave
For my selfish things
I know I'm wrong

No matter what I want to believe
Nothing like this comes easily

[Chorus]

I love you, yes I love you
Even though I know I should stay away
Because I hate you, yes I hate you
Even though it looks like I'm going to stay
And I think that I'm losing my mind

My time in the dark
Was tearing me apart
And that's not okay
A man of blood and bones
Alone on his throne
Could walk away
Oh how your web has been spun
And I'm out of my mind
And it ain't no fun

[Chorus]
