

Pittsburgh (Acoustic)

Christina Rotondo

Iâ€™ve been searching for an exit,
but Iâ€™m lost inside my head,
where I spend every waking moment,
wishing I was dead.

For a few minutes get me away from here,
for a few minutes wipe away my tears.
For I am lost right now as the ocean deep,
I am low my friends and how my heart does sink.
I am lost right now as the ocean deep,
I am low my friend and how my heart does sink.

Itâ€™s like thereâ€™s cancer in my blood,
itâ€™s like thereâ€™s water in my lungs,
and I canâ€™t take another step,
please tell me I am not undone.

Itâ€™s like thereâ€™s fire in my skin,
and Iâ€™m drowning from within,
I canâ€™t take another breath,
please tell me I am not undone.

Iâ€™ve been searching for an exit,
but Iâ€™m lost inside my head,
where I spend every waking
moment wishing this would end.

I canâ€™t take another step,
I canâ€™t live inside my mind,
I canâ€™t face another day,
I am so fucking tired,
for I am lost right now as the ocean deep,
I am low my friend and how my heart does sink.

I am lost right now as the ocean deep,
I am low my friend and how my heart does sink.

Itâ€™s like there cancer in my blood,
itâ€™s like thereâ€™s water in my lungs,
and I canâ€™t take another step,
please tell me I am not undone.

Itâ€™s like thereâ€™s fire in my skin,
and Iâ€™m drowning from within,

I can't take another breath,
please tell me I am not undone.

I've been searching for an exit,
but I'm lost inside my head,
where I spend every waking moment
wishing I was dead.

I'll take another step for you.
I'll shed my tears until I drown,
or until I am underground.
I'll take another breath for you.
Will you still be there when I'm home?
Out from the great unknown?

It's like there's cancer in my blood,
it's like there's water in my lungs,
and I can't take another step,
please tell me I am not undone.
It's like there's fire in my skin,
and I'm drowning from within,
I can't take another breath,
please tell me I am not undone.
