

# Don't give up on me

Joe Cocker

If I fall short, if I don't make the grades  
If your expectations aren't met in me today  
There is always tomorrow, or tomorrow night  
Hang in there baby, sooner or later  
I know I'll get it right Just don't give up on me

Please don't give up on me  
I know it's late, late in the game  
But my feelings, my true feelings  
Haven't changed  
Here in my heart  
I know I was wrong

I'd like to make a mend for the love that was never  
shown

I'm making this promise, every word is true  
I'll give you my everything, all of my love to you Just don't give up on me, please don't give up on me

I'm making this promise, every word is true  
I'll give you my everything, all of my love to you  
Just don't give up on me, don't give up on me I know it's late, but wait,

Don't give up on me don't give up
