

Leave Me Out

Silverchair

Ohh, you can lead a crowd
But I'm something you don't own
Ohh, greed is a sin
So don't leave me in Ohh, you can leave me out
Yeah
Leave me out
Leave me out Ohh, yeah You can leave me out
Yeah
Leave me out
Leave me out Ohh, yeah Yeah, ohh
Ohh, ahh, ohh You can leave me out
Yeah
Leave me out
Leave me out Ohh, yeah
