

# Everybody's Talkin'

Willie Nelson

Everybody's talkin' 'bout me  
But I don't hear a word they're sayin'  
Only the echoes in my mind  
Everybody stops to starin'  
But I don't even see their faces  
Only the shadows of their eyes  
I'm goin' where the sun keeps shinin'  
Through a pourin' rain  
Going where the weather suits my clothes  
Bankin' off the northeast wind  
And sailin' on summer breeze  
Skippin' over the ocean like a stone  
Everybody's talkin' 'bout me  
But I don't hear a word they're sayin'  
Only the echoes of my mind  
Everybody stops to starin'  
But I don't even see their faces  
Only the shadows of their eyes  
But I won't let you leave my love behind  
I won't let you leave my love behind  
I won't let you leave my love behind
